2. Level Programmes

- Enrichment Programme

This term, the students will get to play cognitive games that aim to enhance their attention span as well as develop their critical thinking skills. Students will also get to apply the Habits of Mind (HOM) taught to them through playing these games.

- Sports Day

The Sports Day for Primary Two students conducted in the form of a carnival will be held on Thursday, 12 November 2020. Due to COVID-19 safe management measures (SMM) guidelines, parents will not be invited to the Sports Day as like in previous years. The day's activities will be video-taped for parents to view their child's participation. More details on when the video will be available for parents' viewing will be informed to parents at a later date.

3. Home-Based Learning

The students will be having Home-Based Learning assignments during the PSLE listening Comprehension on 18 September 2020 (Friday) and PSLE marking days from Monday, 19 October to Thursday, 22 October 2020.

4. Habits of Mind (HOM)

The focus of Term 4 HOM is on Finding Humour. The school will cultivate the students with this habit in their learning experiences with interesting activities in class.

As the school year draws to a close, we hope that your child has gained meaningful knowledge and helpful skills in managing his / her learning though the learning has taken a different approach and having to adapt to home-based learning due to COVID-19. Please do encourage your child to set aside some time during this year-end holiday to practise his / her reading and mathematical skills.

On behalf of the school and all the Primary Two teachers, I would like to take this opportunity to thank you once again for your co-operation and support in this challenging academic year. It has been an absolute pleasure working with all the Primary Two students this year and we wish them every success as they move on to a higher level, Primary Three, next year.

Yours sincerely,

Mrs Rosalind Wee
Year Head (P1 & P2)
